WHO WE ARE

FreefromCash is a collaborative group of independent business owners dedicated to sharing our customer base in a manner that enhances our efficiency, productivity, and profitability. Our innovative platform offers numerous advantages, including savings for consumers, donation funds for organizations, and improved customer engagement for small businesses. This allows you to easily reclaim and recycle your actual cash dollars, benefiting nearly all members through its utilization.

WHAT WE DO

FreefromCash empowers our members to significantly reduce their daily cash operating

expenses through our innovative pay-it-forward, stored payment marketing strategy. We achieve this by offering a variety of pre-paid discount dollar solutions tailored to meet our members' need regardless of the product service or industry.

HOW IT WORKS

Taking their roots in barter, trade, gift and loyalty, FreefromCash digital payment solutions allows customers to prepurchase both universal and in-store discounts. Some that can be applied for up to 100% off the list price of a product or service. Once applied those discounts become spendable and even redeemable for real cash and merchandise.

WHY FREEFROMCASH

In a world where digital transactions are becoming the norm, FreefromCash is at the forefront, offering a seamless, secure, and efficient digital currency platform. Our mission is to reinvent the concept of currency, transforming it into something more versatile and beneficial for all users. Here's why FreefromCash is the perfect choice for your digital currency needs:

DOLLARS FOR DIFFERENCE

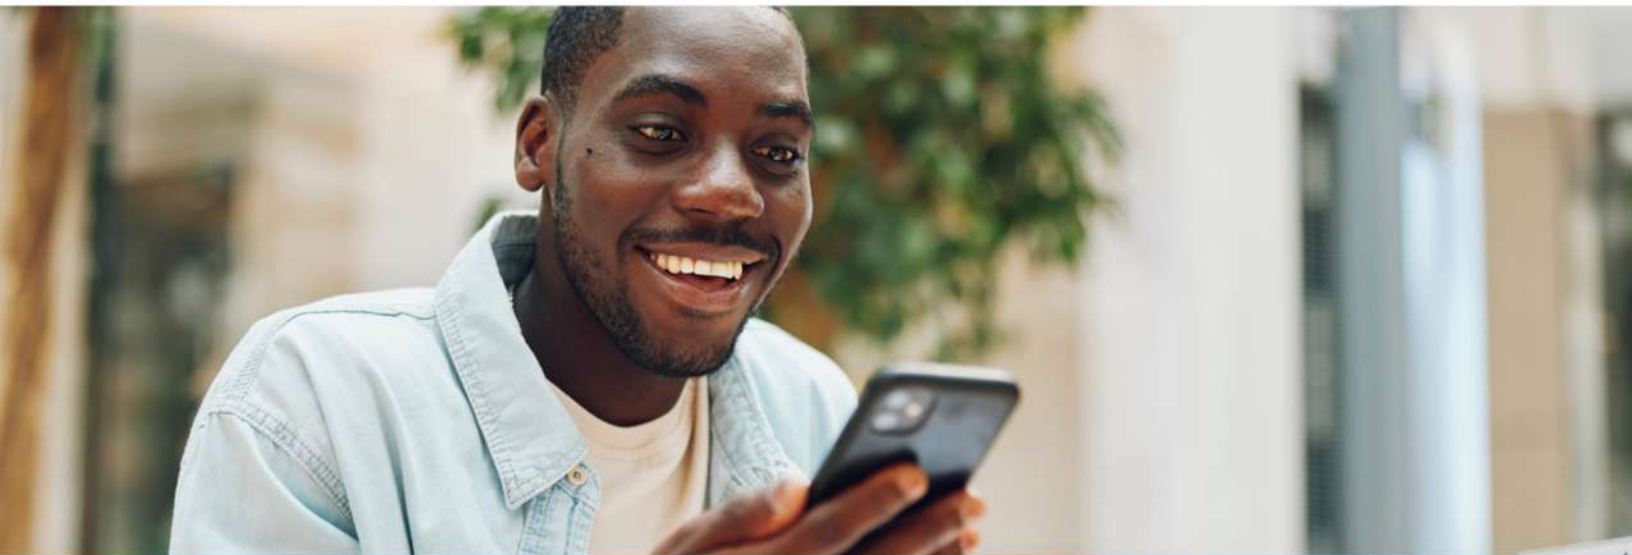

FreefromCash offers organizations an innovative method to leverage digital currencies like FreedomBucks and BarterBucks for fundraising. This platform streamlines the donation process for non-profits and charities, enabling them to concentrate on their mission and amplify their impact, ultimately benefiting the members of the FFC Network.

SAVINGS FOR CUSTOMERS

FreedomBucks, our customer discount dollars provide access to an amazing pool of phenomenal deals and savings. By purchasing FreedomBucks and using them instead of cash, you can tap into up to 50% off on all the purchases you make with participating members.

CUSTOMERS FOR YOU!

Small businesses are vital to our economy, and FreedomBucks is here to help. This digital currency attracts more business with minimal cost. Our prepaid, performance-driven loyalty program lets businesses retain customers effectively. By using FreedomBucks, you access tech-savvy consumers seeking modern payment solutions, fostering growth.

About Us

The FreeFromCash Network was founded by a group of business owners who recognized trade and barter as a means to revitalize the community from within.

Since its modest inception in 2019, it has expanded to approximately 600 directory members and a collective network of around 60,000 shareable customers that you can access at any time through a host of websites.

By joining this incredible group of local business owners, you not only obtain what you need but also benefit genuinely with each interaction.

Our Vision

At FreefromCash, we envision a world where digital payments are accessible and beneficial for everyone. We are committed to providing a platform that not only meets the needs of today's digital economy but also paves the way for future innovations. Our goal is to create a sustainable ecosystem where digital currencies are seamlessly integrated into everyday life, promoting financial inclusion, flexibility and autonomy.

The Network

We are a coalition of local entrepreneurs brought together by a shared vision: to revitalize the local economy by pooling our customers and expenses to create a positive financial impact within our community. Together, we enhance economic connections, encourage collaboration, and forge a prosperous future for everyone.

If you're eager to expand your business, we invite you to join the network. As a member of the FreefromCash Network, you gain access to numerous money-saving and cash-generating opportunities, many of which are available at no cost. Yes, you read that correctly...FREE! Our founders have entrusted us with millions in technology and services to give back to the community.

What Are BarterBucks?

BarterBucks is a member-supported digital payment solution created specifically for barter and trade members. In contrast to traditional trade exchanges, which often impose restrictive rules and hefty broker fees, FreefromCash provides a more adaptable approach for swapping and trading with fellow members.

While trade exchanges may charge up to 15% in broker fees, we do not require such expenses. With a straightforward flat fee, you can elevate your basic barter experience into a fantastic opportunity to save money while attracting valuable customers and their dollars.
